

**Finding Intergen House
65 - 67 Western Road, Hove**

Western Road runs through Brighton and Hove, but beware the numbering system goes back to the beginning half way down where Brighton meets Hove.
Don't confuse us with Travelbag or Trailfinders who reside at 65 & 66 Western Rd (Brighton) respectively.
We are based on the top floor of an 8 storey office building near the corner of Western Road and Holland Road.
There is a buzzer entry system at the street level door.
